

Please take notice:

Please be aware that hours will vary. We will try to accommodate everyone as much as possible. Please be patient and considerate as both Town and Village clerks have themselves and their families to look after. It is our goal, right now, to be open in the mornings. This can change. This is for both Town and Village of Bolivar.

Please utilize the drop box or the postal service as much as you can. If there is something that you need to come in the office for, we ask that you call 928-1860 or 928-2234 to see if we are in.

We will try to update any changes that might occur. Thank you!!
