Mr. Schiralli also talked to the Board about grant options that are available to help offset some equipment purchases that will be coming up. Supervisor Gould requested that Mr. Schiralli get an application.

- Assessor printer is antique. Smears and runs extra paper through. She is willing to be connected to the copier/fax/printer by the windows instead of getting a new printer. I talked to shawley's and in order to get that copier connected, an ethernet cable needs to be ran from the switch to the copier. He estimated that we would need about 75 ft of cable. Supervisor Gould will purchase an ethernet cable.
