**11. NEW BUSINESS**

- **Pool update:** Councilperson Wittenburg gave and end of the year report on Moore Memorial Pool:

The final day for swimming was on August 14<sup>th</sup>. The life guard I spoke to said it was a good season.

There were no incidents this summer but one boy was given a counseling form, due to his behavior.

A few life guards became unhappy with the pool director. I asked for specifics and was only told she was strict. This was most likely the normal tension between management and staff. The life guards better get used to this.

The guards winterized the pool as much as possible.

The canopy became a topic of conversation again. I said the canopy would not help due to the position of the sun. The life guard disagreed. I said I would push for a beach umbrella for next year. They are reasonably priced on Amazon.

There were some night swims. A few were well attended and a few were not. The pool area looked well kept. It has always looked good anytime I've been up there.

I asked the life guard if they had any suggestions on costs or increasing revenue. None came forward. I told the life guards that they don't always get all the things they would like due to the budget. The life guards understand that in this day of inflation, that every dollar counts. The guards completely understood.

In summary, a good season at Moore Memorial Pool.

- 12.** A motion to adjourn the meeting at 8:00 p.m. was made by Councilperson Iantorno, seconded by Councilperson Majot.
