Community Bank (as of 2/16/23): \$62,157.91

10. REPORT OF TOWN OFFICIALS:

- **Highway:** Highway Superintendent Brad Schiralli gave his report to the Board. The 2021 International plow/dump truck is at the regional international shop in Henrietta. Last week this trucks engine light came on so we took it to Fleet Pride formally Portville truck to have it looked at. They had spent three or four hours trying to diagnose the problem, only to come up with the quality level sensor (which has something to do with the DEF fluid system) is the problem. I made an appointment scheduled with regional International to have the truck there by Thursday February 15th last week. The truck was in limp mode so we had to have Allegany County lowboy haul it from our shop to regional shop in Henrietta. Due to sickness last week at the regional international shop our truck still has not gotten looked at. We have some incoming winter weather the next couple days, I was hoping to get this truck back by then but it looks like it is not going to happen. We should be good with the two big trucks we have and the one pickup with a sander. I have currently been getting quotes for a new sander for the 2016 Ford one ton. The sander we currently have is an airflow sander we purchased new in 2008 and it is 15 years old. The engine on this sander will need to be replaced along with several other parts. It's just plain wore out. I can have the quotes at them meeting tonight for discussion.

Projects we have been working on when we are not plowing snow are.

Patching potholes

Working on a bus turnaround for the school on county route 18.

Cleaning sluice pipe ends and inspecting sluice pipes.

Servicing equipment.

Dog kennel. Sometime in December, when we had all the bitterly cold weather, the water pipes had frozen. Tyler and I had gone through and replaced the broken pipes with PEX tubing and fittings. This was a very costly project.

Hazardous mitigation. The hazardous mitigation paperwork for the Town of Bolivar has been completed and filed with Allegany County. On February 13th Michelle Denhoff, from Allegany County, met with Rick and myself at the Town Hall to review the Town of Bolivar hazardous mitigation plan.

Mr. Schiralli also updated the Board with the vehicle mileage and equipment hours.

- **Code Enforcement-** No report for January submitted.

- **Town Clerk:** The Clerk report for January was handed out to the board. Check #2030 for \$2,452.53 was deposited in the General A Fund. Also issued by the clerk's Office were 1 permanent handicap permit and 7 notarized documents. On a motion of Councilperson Iantorno, seconded by Councilperson Majot, to approve the Clerk's Report for January.
